

Sheldon Day 2016

Proceeds and Expenses

Dear All

What an amazing day! We had perfect weather for both the Fell Race and Sheldon Day itself; more runners than ever before on the Thursday and more visitors than ever coming to the village on Saturday (from the looks of the car park), more families, more vintage cars, more stalls and more fun than ever before. And as you can see (with previous years total here as well), we raised more than ever.

Thank you to Phil and the whole Fell Race team for managing the busiest and best Fell Race we've ever seen, and thank you to everyone who came, helped out on Sheldon Day (village people and guests) from the top of the village to the very bottom, and everywhere in between, and to the Sheldon Day Group who put in such a huge amount of time preparing and getting everything ready and perfect for such a great day.

Thank you, Andrew
